Past Events

Auntie Ronnie's 20th Anniversary Celebration

Last Saturday, I helped celebrate the 20th anniversary of Auntie Ronnie's Daycare. The Artcraft Manor facility had T-shirts, cookies and goodie bags with custom printing to commemorate the occasion. Congratulations on your 20th anniversary and all the best for the years to come. Thank you for providing this vital service to the community.

District 4 Community Meeting with Airport Director Jess Romo

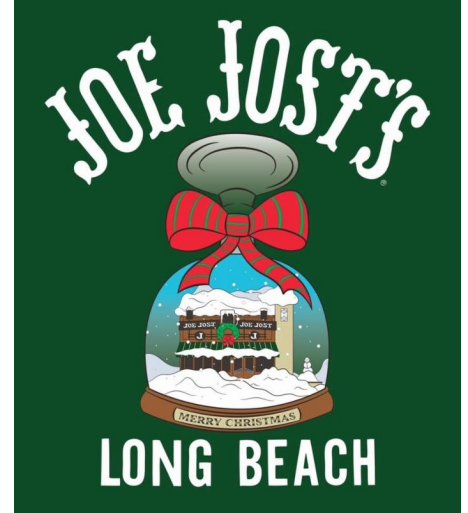

Tuesday night, I hosted our monthly Fourth District Community meeting at the Los Altos Library. This month's guest speaker was new Airport Director, Jess Romo. Jess was able to speak to the community and address various questions and concerns. Also in attendance were: Elizabeth Griffin, LBPD East Division Commander; Ron Reeves, LGB Noise Compliance Officer; Dale Worsham, LGB Finance and Administration Officer; and Stephanie Montuya-Morisky, LGB Public Affairs Officer. Thank you to both the City staff and community members who attended our meeting.

Joe Jost's Annual Lighting of the Antlers

On Thursday afternoon, I stopped by Joe Jost's (as a semi-official duty) for the annual "Lighting of the Antlers". In last week's newsletter, we offered a free Joe Jost's T-shirt (see graphic below) to anyone who could guess how many lights would come on. Congratulations to the top 5 contestants: Kristine Salas, Joe MacDonald, Jim Anderson, David Hafeman and Sona Coffee. They came closest to guessing that 7 of the 15 bulbs would light up.

CHLB Foundation Tree of Love Fundraising Event

Last night, I attended the 22nd Annual Community Hospital Long Beach Foundation Tree of Love Celebration. Each year, this event allows donors to place a special ornament in honor of or in memory of loved ones and friends. Proceeds from the gathering benefit the CHLB Auxiliary Legacy Scholarship Fund. Thank you to the Foundation for inviting me to speak and have the honor of lighting this year's tree.

(l to r): Councilman Supernaw, CHLB Foundation Exec. Director, Matthew Faulkner, Foundation Chair, Alan Anderson and Foundation Vice Chair, Ross Riddle

Signal Hill Annual Tree Lighting Ceremony

My final stop for the evening, last night, was the City of Signal Hill's tree lighting. This annual event takes place at Discovery Well Park at the NE corner of Hill St. and Temple Ave. Our 4th council district actually extends to the SE corner of Hill and Temple, so we are right across the

street from the park. A common theme with yesterday's three holiday events I attended was the year 1924. Joe Jost's, Community Hospital and the City of Signal Hill were all founded that year.

JetBlue Fined \$54,000 for November Noise Violations

Airport staff has reviewed JetBlue late-night operations and violations for the month of November. All of the data is preliminary pending the final verification of times, noise levels and unanticipated delay status. JetBlue conducted 10 operations after 11:00 pm that resulted in Consent Decree violations/fines. The first two Consent Decree violations resulted in fines of \$3,000 each, and the next eight Consent Decree violations resulted in fines of \$6,000 each. Any subsequent Consent Decree violations in December will result in a fine of \$6,000 per operation. In addition, JetBlue conducted a total of 10 operations in between 10:00 pm and 11:00 pm. All of these operations qualified as unanticipated delays and the delays were primarily due to mechanical problems with aircraft and poor weather conditions. JetBlue was fined a total of \$54,000 for the month of November. This brings the total amount of fines for 2016 to over half a million dollars. Thanks to Ryan McMullan, Airport Operations Specialist - Noise Analyst II, for providing our office with the information.

Long Beach Airport: Lot A Closure

Parking Lot A will close on January 7 for renovations. The last day travelers will be permitted to park in the garage will be Thursday, December 29, and all vehicles must exit the garage by Friday, January 6 or be subject to towing. Among the renovations being performed, the parking garage's stairways will be replaced, and the existing elevator will be replaced with two elevators. Vehicle entry and exit points will be revised, and parking spaces will be re-striped.

And Finally

Fire Drill at City Hall

If you tried to call City Hall on Wednesday around 2:00 pm and nobody picked up, there's a good reason why. The entire building was cleared for a fire drill. That included the Mayor, City Manager and Assistant City Manager (pictured below). I'd say they look pretty chipper for having just walked down 14 flights of stairs.

(l to r) Patrick West, City Manager; Tom Modica, Assistant City Manager; Sharon Weissman, Senior Advisor to the Mayor; and Mayor Robert Garcia.
